June 27, 1975.

My dear Srikumarji,

I have received your letter of 23rd June as well as the telegram of the 25th. Earlier I received your letter of 20th June also.

I tried to get in touch with you over the phone throughout yesterday afternoon. Having failed to get you, since you were not available at the office as well as at your residence, I kept the message with the Party office that you should kindly phone me up at my residence in the night.

In any case, in view of the latest developments, you will appreciate we cannot do anything. We will have to watch and see.

With kind regards,

Yours sincerely

Gku
