26th May 1975.

Dear Girishbhai:

I received this morning a telegram from Vijaypal Singh and I replied to him as per enclosed copy, in consultation with Parmanandji.

Raju has gone on two weeks' holidays to Mahableshwar.

Parmananaji told me that he has not received reply from his advocate friend in Delhi possibly because of the court vacation. He is reminding him. Meanwhile, Srikumar has asked Mr. Raghavachariar of Madras for his views.

Vijay has come back yesterday. There is nothing of any special importance to report.

Yours sincerely,
