My dear Mr. Masani,

Thank you for your letter dated 14th March 1968 to the Chief Minister in regard to upgrading the Public Relations Organisation of the State. Your note has, indeed, been helpful in giving shape to the proposal, which has been under our consideration sometime since.

From the nature of functions, you have indicated for the Public Relations Adviser and the type of person to be selected for the purpose, the appointment has to be necessarily made on a contract basis. According to rules of the State Government, it would be necessary to consult the State Public Service Commission in this regard and the post has also to be advertised. For this purpose, the qualifications required for the post will have to be indicated to the Public Service Commission. Instead of generally laying down the qualifications, it would be helpful if the right type of candidates for the post are located and the qualifications are laid down, keeping such candidates generally in view. It has been provisionally decided to appoint a Public Relations Adviser on a monthly remuneration of Rs.2000-2500/-.

I request you to kindly suggest the age, qualifications and experience, which can be laid down for filling up the post on a contract basis. I shall be grateful, if this matter receives immediate attention.

With kind regards,

Yours sincerely,

Harihar Patel
