My dear Maharaja Sahib,

You will remember that I had written to Prof. Raj Krishna of Rajasthan University last February after consulting you about the possibility of his visiting Orissa to study the food problem with particular reference to the policies at present being pursued. Unfortunately for reasons he explains in his letter of May 5, which I have received and which I enclose in original, he was unable to reply to my earlier letter.

It is now for you to consider whether you still wish him to pay a visit to Orissa in the second half of June for four or five days which he is ready to do. This is entirely for you to decide.

Since I am leaving for Europe tomorrow morning and will not be back till the end of May, I would, however, appreciate your sending a line in reply to Prof. Raj Krishna to whom I have mentioned that I have passed his kind offer to visit Orissa on to you.

With kind regards,

Yours sincerely,

M. R. Masani
