My dear Raj Krishna,

It is only this morning on returning to Delhi I received your letter of May 5. I am off to Europe tomorrow morning. All that I can therefore do now is to forward your letter to Mr. R.N.Singh Deo, Chief Minister of Orissa and leave it to him to decide whether he would still appreciate your taking the trouble to visit Orissa on the lines we had earlier discussed. You will no doubt hear from him in due course.

With kind regards,

Yours sincerely,

(M.R.MASANI)
