-- PARIKH

Dear Minoo,

Can you or Dandeker do anything about this? Evidently our people relied on the Orissa Govt.'s guarantee mainly because it is a Swatantra backed ministry but now it is behaving like any other Congress Ministry!

Would be most grateful for any assistance you can give our people. Mr. S.V.Rao or Mr. C.V.Menon of Voltas, Resident Manager's office, will be glad to give you any details you require.
