Dear Mr. Chief Minister,

It was indeed a very great pleasure meeting , in Calcutta and I am thankful to you for the frank and free discussions we had on various matters, including the suggestion that emanated from our good friend, Minoo Masani. I appreciate very much your having given me the papers pertaining to Talcher Industrial complex. I shall forward it to the proper authorities and I do hope sincerely that under your devoted stewardship of your State, notable progress in various fields will be effected. In that worthy effort of yours, if there is anything where I personally or our institution can be of help to you, I am confident that you will unhesitatingly indent on us. As you may be aware, our bank has some offices in your State which are functioning satisfactorily, thanks to the utmost cooperation from all in the State of Orissa. We shall always be prepared to extend our activities for mutual benefit and would welcome any suggestions from your side in this little effort of ours.

With best wishes and kindest regards,

Yours sincerely,

(C.H. Bhabha).

Shri R.N. Singh Deo,
Chief Minister,
Orissa State,
BHUBANESHWAR.
