My dear Minoo,

As per our discussion and arrangement, I was most happy to meet the Chief Minister of the Orissa State in Calcutta during my last trip on Saturday, the 24th June. We talked with each other most frankly and from my side I made him the suggestion of three or four names who could be most useful to him for his purpose. In addition we discussed several other matters of interest and importance to the State of Orissa. I have written to him today a letter, a copy of which I am enclosing herewith for your record. I am most grateful to you for creating this opportunity of knowing this fine man and I have no doubt in my mind that he will do a wonderful job for the State of Orissa. In that, you and your Party too will secure great encomum.

With best wishes and hoping to see you sometime when you are here,

Yours sincerely,

(C.H. Bhabha)
