My dear Mr. Masani,

You will please recall our discussion regarding appointment of an Evaluation Committee for our State Projects. After thinking over the matter, I am of the view that it would be very good if Mr.C.H.Bhabha, Vice Chairman of the Central Bank of India and former Minister of Commerce, Government of India, would agree to be the Chairman of the said Committee. Would you kindly ascertain from him regarding his willingness to this proposition and ^{the} terms and conditions which he would expect in accepting the Chairmanship?

Yours sincerely,

Shri M.R.Masani, M.P.
