My dear Mr Masani,

Thank you for your letter of November 1, 1967 congratulating me on my election to the General Council of the Swatantra Party.

During the last General Election, I was in charge of the Election Campaign for Pashabhai and as you know, the Swatantra Party scored creditably in his Constituency. Recently, we launched a Membership Drive and we enrolled more than 700 Members for the Party.

Regarding your desire to step down from the Secretaryship of the Party, it is indeed a very creditable thought particularly in these days when people are most reluctant to give up their position. By resigning from the Secretaryship, you are setting up a fine precedent for others to follow and I hope the Office Bearers of the growing Swatantra Party will take a note of this.

I understand the General Council is scheduled to meet in Delhi towards the end of this month to elect the Office Bearers and the National Executive. I wish to be included in the National Executive and shall be grateful for your support.

With kindest personal regards,

Yours sincerely

CHANDRAKANT PATEL
