9th November 1967.

Dear Shri Masani,

Thank you very much for your circular letter of 1st November informing us that in the interest of the Party and the nation you have chosen to relinquish the General Secretaryship of the Party and that you will concentrate your energies as Chairman of the Public Accounts Committee. You have been responsible for enlarging the image of the Party for the last seven years and trust that you will continue doing so until such time that the Congress is ousted from Power.

Rest assured that as desired by you we shall offer our full cooperation to Shri N. Dandekar who I am sure will take over your mantle as General Secretary of the Party.

With warm regards,

Yours sincerely,

Shantilal L. Thar
