My dear Mahida,

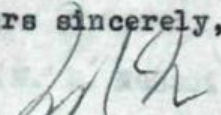

Thank you for your letter of the 25th. A telegram has already gone to you on the 26th confirming my participation in the meeting arranged by you at 12 noon on Wednesday, May 2. I arrive by the morning flight at 10.30 and will be with you at noon. My own thinking is that if you are not busy in Parliament that morning, a quiet chat between us that at my residence, 40 Canning Lane, before the meeting might be of advantage. Failing that, I shall be obliged if you will kindly arrange for Mr. S.A. Matin and Mr. Wahab Azad to see me immediately on my arrival and post me with developments in Delhi.

I am sorry to know of the problems you are having to face. We shall discuss these when we are together. We will have to call another meeting of our members for organisational purposes.

I note that there is a meeting at 6 p.m. at the National Democratic Club on 2nd May and shall be glad to attend it as desired by Mr. Kapasi.

I have today wired Mr. D.C.Pande in charge of the Notice Office for the lobby and gallery pass to which I am entitled. I wonder whether you would be so good as to collect it and send it to my residence through Wahab Azad who will meet me on arrival so that I will have no difficulty in joining you.

Yours sincerely,

(M. R. Masani)
