My dear Minoo,

File
for act 2784

yesterday evening there was
meeting of Bhai Singh
of his party in Room 62 in
Parliament House. Now I wish
to bring to your notice
what transpired at the
meeting. Though Daya
Bhai was against the
rule and place of the meeting
yet he came and presided over
the meeting. Mr. Nathu
Sarkar, showed your letter
to them in fix up a
meeting for budget on
2nd May. Our some members
were revealing their own
useless talents in the steering of
the meeting under the hand
of Dayal Singh.

2
So he confused the whole
atmosphere of meeting and
Mr Mahida Sahab's words
in his own time. . . . Thusly
his aimless talk, it was
clear that they do not
like 40 coming for
his office, so Mahida Sahab
join hands with others.

Mr Reddy says that Prof
Ranga has expressed
his desire that office

should be somewhere in
north overland along with
new stereographer. When question
of office establishment
come, some members
expressed their desire
that it go to the north,
and some gradually.

Only His Highness Gayabai Rani
 on his ~~20th~~ paid the amount
 in cash, to ^{med} conveyance etc.

Mahide Sahab explained
 that Mr. Azad has
 come from Ranchi to
 visit me in my office early,
 then Daya Bhai immediately
 started in his meeting that

we want stenographers, who
 can take our notes in
 the Parliament House. Mr.
 Azad will not serve our
 purpose, but he can be
 here for training. Mr. Mahide
 Sahab read your letter
 in connection with Maschal,
 who has been engaged
 in ~~an~~ office as a
 messenger. Then possibility
 said that Rs 100 is too
 much for a messenger,
 and suggested the stipend
 be. He wants that a

man, who can ^{work} ~~work~~ only four hours
should be appointed.

Mr. Mahida Sahab is ^{not} to
employ his own P.A., who
can do his personal, and home
work also, as Dayal Sahab

is trying to ^{shift} ~~shift~~ ^{office} to his
own place for ^{purpose of} ~~purpose of~~ meetings etc.

They are all undermining
his party interest. and want
to show their own hollow
personalities.

Just after the meeting
Mr. Mahida Sahab told me,
"I don't find any work for
you now, you can go down
to Bombay."

Minoo I would like to
have your instructions at
this juncture.

Best regards

Sincerely yours
S. Mahida Sahab

To come.
