20th

My dear Masam,

Your letter of the
19th was just received by
me.

This question of the
Deft. Speakers' election was
discussed by Bay Ranga
Shri. Red & me. We
all felt that we should
keep out of the election.

You know Mrs. Jaipal
has been with me in

the Democratic party -

I may come with us
now as also Mohan

I am going to Chandigarh & then to the
set- and Chandigarh; urgent.

Surgh, ^{Olive} who ~~to~~ was supported
by his party and me
So I am anxious to
keep on him ^{pleased} right side
but what is the point
in feeling in line
with this communistic
span and ideas and
antagonism Krishna Murthy
Rao - that is how
Rangaji felt. So
he has given a letter
to Shri. Mahabha & Reddy
and then to keep
out of this
how what do they do?
Yours sincerely
Dalyalabhi V. V.
