Mr. Masani was defeated due to following reasons.

1) In many wards voters' slips has not been distributed. There was lack of good workers who could request the voters to come out on the polling date.

2) Muslims, Communists and Backward classes came out to vote in large numbers, but the city dwellers did not vote solidly. Good people though poor and, also, middle-class, ^{and working class} were ignored.

Money power has no value.

Regrets at M.R.M.'s defeat.
