My dear Masani,

Greetings on our happy return to India.
I hope your foreign tour has given you adequate opportunities to popularise our cause among the enlightened circles.

I am glad to say that Shri V.P.Menon has expressed his keenness to organise reception for our next convention, if we hold it in Bangalore. He thinks it will cost at least Rs.25,000/- and wants the centre to make a decent enough contribution. Anyhow Shri V.T.Sreenivasan would like you to go to Bangalore to discuss with them as to whatever preparations are needed, before you present your proposals before the Organisational Sub-Committee.

I learn that Rajajee is likely to be in Delhi on the 23rd and 24th of November. So, it may be useful if we convene the next meetings of the Parliamentary and Organisation Sub-Committees during these days.

Yours affectionately,

Sr. M.R.Masani
