My dear Madam

In reply to my letter enclosing copies of my speeches during the current session of the Rajya Sabha our revered leader Rajaji says:

"I am delighted to read your letter of 7th March and enclosed copies of speeches. You have done excellently and I particularly like how you spoke on the budget, how you began and how you ended and coped with interruptions ~~and~~ brilliantly right through."

I thought perhaps you would be interested to know.

How sweet of him

Yours sincerely
