Dear Sir,

I am enclosing herewith a copy of the article entitled "An India's thoughts from abroad" by Victor Anant, published in the Manchester Guardian (Overseas Edition), of 27 November 1962, for you information. It pleads in favour of India's developing closer relations with Pakistan. It is a very interesting article, specially at this juncture. I thought it might interest you to glance though it.

With regards.

Yours sincerely,

A.P. Jain
