Ref. No. SSP0/149/A/62.

Dated 22nd October, 1962.

RECEIVED

No 01229

Dear Mr. Masani,

I have to write to tell you that now less than Rs. 100/- are left in the bank account of the Swatantra Party in Parliament. We have to incur over Rs. 1000/- p.m. as fixed recurring expenses.

True, some subscriptions are due from the Members, but as you are aware, these payments are made in leisurely fashion. Now, we are faced with a problem of how to disburse monthly salaries of the permanent employees of the office, which fall due on the first of Novemebr, 1962.

Prof. Ranga was apprised of this situation and he promised to talk it over with you.

This ^{is} a S.O.S. for some kind of help or advance immediately so that the office continues functioning, and the matter properly attended by the Head Office of the Party.

I remain,

Yours sincerely,

(Kapur Singh)
M.P.

General Secretary,
