28th May, 1962.

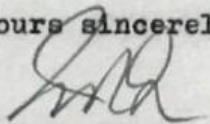

Dear Mr. Wahidur Rahman,

I have your letter No: BMB/448/62 of 23rd May. I agree with you that the statement made by one of the Members of Parliament to the press correspondent was most unfortunate, but fail to see what we can do now about this particular matter.

I am afraid it is extremely difficult to exercise any sort of control at long distance. However, I am writing to the gentleman in question.

Thanking you for drawing my attention to this press report,

Yours sincerely,

(M.R. Masani)
