You would recall that I had handed over a text of the revised draft for a substitute motion in respect of the Fourth Five Year Plan whose notice was given by the Prime Minister in the last session of Lok Sabha.

Shri Minoo Masani desires that we should all jointly apply our minds and finalise the draft of the substitute motion. I am enclosing herewith a copy of the text given in this respect by Shri Masani which is also to be kept in view while doing the same.

I would like to have your comments on both these drafts as soon as possible.
