My dear *himoo*,

Who?
I would like you to recall the informal decision taken some time ago that the Party should produce a compendium or a summary of work done so far by various Swatantra Members of Parliament in their various capacities as a member of the Lok Sabha, Consultative Committees, Select Committees, etc. There are, as you know, quite a few occasions when people make direct enquiries about the role of our Group in Legislature and it will be an excellent idea if we were to prepare this document and mail it to a large number of friends and well-wishers.

I hope you will kindly move the project when you are next in Delhi.

With kind regards,

Yours sincerely,

Nandu
