

SWATANTRA PARTY PARLIAMENTARY OFFICE

53, North Avenue,
New Delhi.

May 11, 1970

CIRCULAR

Our General Secretary Dr. R.C. Cooper's attention was drawn by friends of our Party to the unsatisfactory attendance of our Members in the House. As our Members are aware our poor voting on many occasions has created a very bad impression in the House as well as in the Press.

Therefore once again I request you, both on my own behalf and also on behalf of the National Executive, to try your best to be present in the House and be willing to take part in all the divisions as per the Whips of the Party issued from time to time. Since we have only 9 more working days, I trust that I need not have to remind Members about this urgent matter once again.
