My dear Mr. Masani,

I thought over the matter of telling K.P. to withdraw from the contest of the Chief Whipship, but I being the father-in-law I feel very delicate. K.P. has been telling that when Mr. Tribikram Tripathi who is junior to him in the college is a Member of the National Executive why he cannot become the Chief Whip of the Party specially when Mr. Gowd is not yet physically fit.

Yours sincerely,

P.K. Deo
