Dear Shri Raghuramiah,

This has reference to your D.O.  
No.F.2(16)/69-R&C dated 4th/16th March, 1970.  
You have been kind enough to remind the whips  
of the decision taken in the All India Whips  
Conference held at Madras regarding their  
responsibilities in maintaining quorum and also  
in maintaining discipline and decorum in the  
House.

May I request you kindly to let me  
know what action the Government has taken  
to implement the decision of the All India  
Whips Conference held at Simla in 1967 suggesting  
certain facilities to the Chief Whips of the  
parties or groups of the Opposition parties.  
Without facilities, how do you expect the  
ships to work effectively? I was informed last  
year that the Government was still considering  
the decisions of the All India Whips Conference  
held at Simla.

With regards,

Yours sincerely,

Y. G. Goud
