Dear Mr. Chacko,

At the National Executive Committee of the Swatantra Party held in Bombay on the 16th and 17th of last month, Mr. Johnson Vallikkappen from Kerala placed before the Committee "Kerala Land Reforms (Amendment) Act 1969. After discussion the Committee adopted the following resolution which may be a matter of interest not only to Kerala planters but Planters of other states too. You may kindly consider this subject of giving some assistance to the Kerala Unit of the Party for pursuing the matter by taking an Appeal to the High Court etc., from the Planting Community.

RESOLUTION.

SWATANTRA PARTY? NATIONAL EXECUTIVE, DATED, February 17, 1970.

Kerala Land Reforms (Amendment) Act. 1969.

The National Executive of the Swatantra Party views with considerable apprehension the enactment of the Kerala Land Reforms (Amendment) Act which provides, inter alia.

- (a) That voluntary transfers effected after the date of publication of the Kerala Land Reforms Bill, 1963, in the Gazettee shall be invalid thus reducing to penury or rendering homeless all those who had purchased land or built homes on such lands after the prescribed date, and
- (b) for illusory compensation which is really expropriation.

The present coalition Ministry in the State, led by the Communist Party of India, and unfortunately other parties like the Organisation Congress and the Kerala Congress, have not only lent support to this expropriatory and unconstitutional measure but adopted a resolution in the State Assembly requesting the Central Government to include the amended act in the 9th Schedule of the constitution in order to prevent the expropriatory provisions of this act from being struck down by the Judiciary.

The National Executive fully supports the Kerala Unit of the Party in its opposition to this obnoxious measure. It calls upon.

- (a) The Party's Units elsewhere in the country to educate the farmers in their States on the injustice being done to their brethren in Kerala; and
- (b) The Party's Group in Parliament to oppose inclusion of this Act in the 9th Schedule of the constitution.
