My dear Mr. Masani,

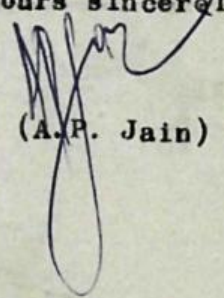

By election

Rani Saheb Bharatpur gave me two days back three receipts from the Willingdon Hospital in respect of three units of blood. These have been passed on by me to the Lok Sabha Secretariat for payment. In so far as 8 units received from Bombay through your good offices, she says *one covered* they are not to be submitted to the Lok Sabha as somebody else is taking care of those bills.

It is for your information and also further instructions, if any, for me.

With best regards,

Yours sincerely,

(A.P. Jain)
