Mr. A.P.Jain

The Blood Bank in Bombay has to be reimbursed for eight bottles of blood sent by them. The first instalment of three and the second instalment of five bottles have been handed over to Willingdon Hospital by Mrs. Pamela Singh. She has not received the receipts from them but when does so, she has promised to hand them over to you so that you may arrange with the Parliament Secretariat to remit the money direct to Mrs. Leela Moolgaokar at the Blood Bank in Bombay.

Will you kindly ^{kindly} get in touch with Mrs. Singh and attend to this matter?

(M. R. MASANI)
