Dear Mr. Jain,

As you are aware one of my colleagues in Parliament Raja Girraj Saran Singh of Bharatpur died yesterday. The residence at 64, Lodi Estate is occupied by his widow Smt. Pamela Singh. She has written to the Telephone Department requesting that the telephone should not be disconnected and that she would like the telephone to be transferred to her name and she would pay the normal charges.

I am writing to request that you might kindly consider the request from her. Mrs. Singh, probably you are aware, is a well-known News Reader of All India Radio of several years standing. Other News Readers in All India Radio have been given telephone on priority basis as they have to report for duty at odd hours. Her request is therefore reasonable one and I trust you will be good enough to allow the present telephone No. 626044 to continue and to arrange for the connection to be transferred to her name without any interruption.

Yours sincerely,

(M.R. Masani)
