My dear Jain,

You had promised to give me in Delhi or send me immediately after my departure certain information regarding the I.P.U. Conference and our proposed entertainment. You had told me that you would send me the list of delegates from certain friendly countries and also information about the cost of providing dinner at the Delhi Gymkhana, the Delhi Golf Club and also catering at my place.

Three days have passed but nothing has come. So I thought I would write and find out what is happening.

Yours sincerely,

(M. R. Masani)

Mr. A. P. Jain,
