My dear Masani

I was pleasantly surprised to learn that our Bani
Tandeep Singhjee was chosen
from Gujarat! I met him last
night at the Speaker's dinner.

Incidentally he came in from
the quota of State Assembly
and I am glad they have
chosen him. Thanks to
the Speaker's choice.

I expressed the hope that he was
satisfied with our clarification
of the Madras resolution about
Bansalanthu and he said
it is alright now. Thank God for this
mercy. I am now going to
my cashmere to meet our

workers, who are so much upset
by the recent defections.

I will return by the 24th inst.

Yours
A.S.
