My dear Sir,

I have been here from
13th inst., and wanted to see you
to pay my respects - before I left
for Trinidad to attend the Council
Health-Parliamentary Conference. I was
told this since the decision you had
to attend was adjourned you would
not be coming. I am leaving this
night. Taking advantage of the
situation of Trinidad, I have
decided to see some business
enroute & return journey. I will
be back in Delhi in the first
week of November. I have wished

27 now about - or/air should
cheer to primary drink &
delegates to 41- workers - I will
be present ~~for the~~ by the
time the cheers to state cow kee
& General Council take place.
With kindest regards.

Yours Lill
J. G.
