My dear Mr. Masani,

I hope your attention must have been drawn to a recent report in the Times of India regarding the stand taken by Shri Balraj Madhok in the Executive Meetings of the Bharatya Jan Sangh concerning Bank Nationalisation and several other topics of national importance. A reference has also been made in the report ~~to~~ a pamphlet on Bank Nationalisationⁿ recently brought out by the Jan Sangh Office in New Delhi. The pamphlet clearly makes out a case in support of bank nationalisation. However, conclusions do not conform with the main thesis ⁶porpounded in the pamphlet. I am enclosing herewith a copy for your kind information.

Mr. P.N. Solanki has recently written a letter to Prof. Ranga with copies to you, Mr. Dandekar and others making out certain allegations of personal nature. Rajaji has sent his copy to me. I assure you that all the allegations contained in the letter are not borne by facts. I am separately replying to the various points raised in the letter by Mr. Solanki.

I will be grateful to have an opportunity of personally discussing this with you when you reach Delhi on the 15th in connection with meetings of the Select Committee on the Patents Bill.

With best regards,

Yours sincerely,

(A.P. Jain)
