My dear Jain,

You had kindly promised to send a copy of the report of the National Commission on Labour as soon as it became available. At the end of the session we were told that copies would be available for members within three or four days. As I have not received this copy, I am dropping this line to remind you to get a copy and send it to me quickly by registered book post as I need it badly.

Yours sincerely,

(M. R. MASANI)
