My dear

You have called a meeting of the Executive Committee on the 15th April to decide our Party's nominations to various Financial Committees. I hope you would consider my name for the Estimates Committee.

During 1967-69, ~~there~~ no representation was given to Madras on any of the Financial Committees. On the Estimates Committee there were two M.Ps from Mysore and one from Andhra and none from Madras. Therefore while deciding Party's nominations this time I hope you would consider this fact in view.

With regards.

Yours sincerely,

H. Ajmal Khan
