Leader/Deputy Leader/Secretaries Shri N. Dandekar

This is in continuation of my letter regarding Shri Yashpal Singh. Shri Yashpal Singh met me at his own initiative in my residence at 10 P.M. last night, and told me that he would abide by what he had told me earlier i.e. a seat on the second bench for him or an important position in the Party incharge of three divisions already mentioned with a vehicle. He volunteered if the seat is given to him on the second bench, he is prepared to give a contribution of Rs.5,000 to the Party and work as a wholetime worker of the Party. I intimated this to Mr. Dandekar. He told me that if the Leader and others concerned agree, he has no objection to sit on any bench allotted to him (Mr. Dandekar), in case the Party decides in favour of admitting Shri Yashpal Singh to the Party. This may kindly be considered, having in view his influence in U.P. and by-election in the State.
