Dear Mr. Masani,

After consultations with a number of people here, I am of the opinion that we should table an adjournment motion to enable us to initiate discussion regarding the reported Soviet arms aid to Pakistan. I have prepared a draft motion in this regard which is enclosed herewith. If it meets your approval, kindly sign the motion in triplicate and return the same to me to enable me to submit it to Lok Sabha. This may please be returned by express delivery as we ~~shall~~ table the motion during this week to get precedence over other members.

With regards,

Yours sincerely,

Mr. M.R. Masani, M.P.
Bombay.
