Dear Mr. Masani,

As desired I am enclosing herewith all the press clippings from English dailies relating to your press conference here yesterday. As you will find Times of India has given the best coverage while the second best, surprisingly, is the Statesman this time.

You must have read the editorial in the Times of India this morning entitled "Parties in Distress". It relates to our talks with the B.K.D.

With regards

Yours sincerely,

(A.P. Jain)
