Dear Mr. Raju,

I am in receipt of your letter dated the 20th May, 1975 addressed to Mr. Srikumar and copied to me.

I quite agree that neither the Janata Group nor the Ruling Congress will get a majority but I feel that the Ruling Congress will definitely buy over Chimanlal Patel's group and see their way in.

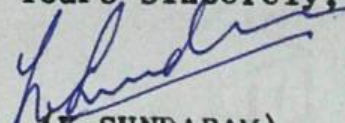

I also agree with your views to wait till the elections are over for influencing some of our members to come back to us.

As desired by you, enclosed please find herein a letter addressed to the General Manager, Bombay Telephones.

With kind regards,

Encl:

Yours sincerely,

(K. SUNDARAM).
