My dear Mewaram:

I forgot an important point to discuss with you when we met at Delhi last Friday. That is about the demonstration before the Parliament on 6th March under the leadership of Mr. Jayaprakash Narayan. While we shall try to get a few volunteers outside Delhi to join the demonstration, could you kindly arrange for about 20/25 people at your end to join the same. For us, the act is more symbolic in terms of our support to JP's movement. Do please consider this matter seriously?

With kind regards,

Yours sincerely,

S.V.Raju
