My dear Srikumar:

Thank you for your letter of February 11, 1975. I am happy Mr. Sundaram has written to Mr. Vyas requesting his brother in Bombay to extend support to us. I have also seen copies of letters Mr. Sundaram has written to some people in Bombay.

As regards Mr. Piloo Moday's reply, since he is India's Ace political joker, you need not have expected any other reply from him. I personally feel that a stiff letter should have been written to him. However, due to certain circumstances, particularly the fact that the BLD has not been paying the rent regularly to us, Mr. Girish Munshi did not write to him further. I presume Mr. Munshi is hoping to get the matter settled. In any case the only way to put Piloo on the spot is through Court action which you are already doing. He has neither the decency nor the honesty to respond to your letter *in any other manner*

I have just written letters to my friends in Rajasthan and Gujarat. Mr. Masani is going to Bangalore on the 22nd of this month and I will speak to him to talk to Mr. K.H. Srinivasan regarding the Bangalore Trust funds.

With kind regards,

Yours sincerely

S.V. Raju
