Dear Mr. Thakkar,

I understand you have been sent the minutes of the National Executive meeting held in Madras on 8th December 1974. I take it that in view of your opposition at the Gujarat State Council meeting, to the dissolution of the Swatantra Party, you continue to be a member of our Party and have not joined the BLD.

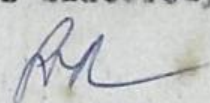

If my presumption is correct, may I request you to take some interest and advise us in regard to revival of the Party activities in Gujarat?

On hearing from you, I shall write to you in *greater* details.

With kind regards,

Yours sincerely

Shri. Hargovind D. Thakkar
