Dear Mr. Sundaram:

Thanks for your letter of February 8, 1975 along with the minutes and other papers.

I recall that a meeting of the National Executive was convened a day before the formation of the BLD. It is the minutes of that meeting that needs to be ruled out of order. I will be in Delhi on Friday, the 21st February when I will enquire with Col. Pasricha if he can lend his copy. Meanwhile, if you can look into your papers it would be helpful.

With kind regards,

gfl

Yours sincerely

S.V. Raju
