Dear Haribabu,

I did receive your letter dated 6th May and your postcard of 17th May. I am sorry that the Registered Book-Post was returned to you. The old Swatantra Party Office building was involved in a fire. Fortunately our part of the building escaped damage and we are back in the building. I am sorry to have put you to so much trouble. But I do look forward to the papers you are sending me.

I hope you are well and with kind regards,

Yours sincerely,

(S. V. Raju)
