ORISSA LEGISLATIVE ASSEMBLY

Dear Mr. Raju!

Your letter dated 21st March delighted me very much. Really I was overglad to have your letter after a long interval. The letter written to me and that written to Mr. R.R. Singhdeo both reached me quite late.

Presently not a single document is with me. All the records were with Sri Ananguday Singh Deo, the younger brother of Mr. R.R. Singhdeo and those may be available in his residence at Bhubaneswar.

I am now awfully busy in connection with the marriage ceremony of my daughter.

Some time in the next month I shall go to Bhubaneswar and enquire about the same.

and shall let you know.

It would be better if you kindly write him directly in his Bhubaneswar address.

I am now in a member of Janata party. In the ^{again} last Assembly election I have been elected to Orissa Assembly from Naldapara constituency. previously I was busy in cultivation - my main and the only ~~pro~~ profession.

Rest in next.

Hope this finds you enjoying sound health.

Yours Sincerely

Brajhi !
