S.V. RAJU

March 21, 1985

Dear Haribabu,

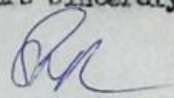

It was a pleasure receiving your letter of 8th March. I am glad to know that you are keeping your election instincts well honed.

I am most grateful to you for the trouble you are taking to send me whatever papers you are having. I am acting on your suggestion to write to Mr. Chashiram Majhi at the same time as this.

I shall certainly pursue the idea of a meeting of old Swatantra Party members with Mr. Masani and arrange an early meeting.

With kind regards,

Yours sincerely,

(S.V. Raju)

within a week again. 2/3 days
will be necessary for me to
return from exhaustion.

Sri B.K. Rao of Kalamandir
has met me about a month
or so back and informed me
that you are making efforts
for revival of Swatantra Party
or emergence of a new opposition
organisation. Your letter indicates
nothing in that regard. Are you
going to do something? I will
be happy to know about it.
Anyway, I think it will be
profitable to meet ourselves
some time to review the
new situations.

Please convey my regards
to Mr. Madani and have a
discussion with him in the

matter. I have gone through
his article in Statesman (409
see) and in Freedom first-
welcoming the efforts of N.T.R.
with some sound suggestions.
Many who have gone through
the article have appreciated
his views and I also entirely
agree with him.
Hope, we could meet.

Some time,
looking forward to a
day..

With all my good wishes
for you,

Yours sincerely
Ashish Patel

Dear Sri Raju,

8.3.1985

I am very happy to receive your letter of 22.2.1985 yesterday after return from Sundergarh. I was away there to manage the election campaign of Sri Bharatara Sekhar ~~800~~ son of late Raja Sahab of Sengpur, who was a minister in the Congress-Bharatara Parichal coalition - post in Orissa. He has won against a formidable rival, Sri Kishor Chandra Patel, State Minister for Industries with a margin of more than 11,000 votes.

I heartily welcome your idea to do for a decade on the Swatantra Party and will certainly handover to you whatever papers relating to the Swatantra Party I can trace out with me. I will write to you
