Dear Ghashiram Babu,

You must have received the letter which I had sent to Mr. R.R. Singh Deo of Patna concerning the doctorate I have now undertaken on the Swatantra Party. I did not write to you earlier because I did not have your address other than the one at Kharavelanagar.

I hope you are keeping well and I look forward to your assistance in my work. What are you doing these days ?

With kind regards,

Yours sincerely,

S. V. RAJU
