Dear Rajmata Sahiba,

I was delighted to receive your letter of 6th March. It was a relief to know that some one has kept the records! I shall have to come to Jaipur myself to sort out the material I need and this may be possible only during winter this year. I shall let you know well in advance of my plan.

Meanwhile please ensure that some one takes good care of the material.

I shall return the papers to you after use so that you can make them over to the University of Rajasthan.

With kind regards,

Yours sincerely,

(S. V. Raju)

Dear Shri Raju,

How nice to hear from you after such a long time.

I am glad to hear that you are writing a thesis on the Swatantra Party.

I have a tremendous amount of material on the Swatantra Party in Rajasthan but it would be too bulky to send the whole lot to you. Therefore I suggest you send someone to Jaipur to look through the material available here to sort out the relevant material that you may need for your thesis.

I have given all my Lok Sabha debates to the University of Rajasthan and perhaps I should hand over all my papers to them as well rather than to the University of Bombay as most of my papers would pertain to Rajasthan.

With best wishes,

Yours sincerely,

(RAJMATA OF JAIPUR)
