My Dear Shri Raju.

You might have been expecting me last week as per my letter, but it is regretted that I didn't go to Bombay, as the wedding, which I was to attend was postponed.

I am certainly going to Bombay in the 4th week as there is a wedding to be attended on the 23rd March.

I am searching for the relevant papers and whatever I can collect, I shall bring for you. There are a few newspaper clippings too! Do you think they will be useful to you?

Incidentally, I have a recorded speech (on spool tape) of Rajaji and Rangaaji delivered at Pune in 1960 at a public meeting. Similarly I also have a gramophone record of

Rajaji's message during the general elections. It was a novelty in those days. People use to laugh at us and criticise as we used to play the recorded speech of Rajaji and also some other tapes. Now a days, it has become a symbol of status and a ~~part~~ part of propaganda material to use a tape recorder for propaganda.

Wishing you all the best
and hoping to see you soon.

Sincerely Yours.
