Dear Sri. Raju,

I thank you for your letter dated 11-3-1985. I am glad to note that your wife is fine.

Mr. C. L. Rao has sent a file which contains only Rajaji's letters to several Swatantra Party workers. So I sent the file back.

I will ask Mr. C. L. Rao to reserve 500 copies of the version of Rajaji Foundation. I will let you know the cost of each booklet.

If Mr. Masani is completing 80 on Nov. 20th this year, I will be ~~be~~ completing 82 on July 22 this year. My date of birth is 22-7-1903. You keep me informed of the further developments.

Thanking you and with best wishes,

I will not be able to attend the function in Bombay on November 20th and kindly do not include me in the Committee. I will contribute my mite. *Yes*

Yours sincerely,
